

Colour Coding Policy

Colour Coding Policy must be followed - otherwise this could lead to cross contamination

Blue:

For general use: doors, desks, cupboards, chairs, window ledges, the office areas and furniture, etc.

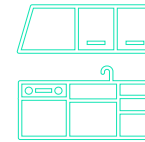

Red:

For sanitary and dirty utility areas: toilet bowls, urinals, tiles, washroom floors, etc.

Yellow:

For non-sanitary washroom and shower-room areas: sinks, taps, mirrors, dispensers

Green:

For all catering areas: patient kitchen surfaces, appliances, etc.

White:

Disinfection: any surface that requires disinfection

Follow your local policy
